Join an award-winning institution

Looking for a new role? Join a dedicated and motivated team here at CU London.

The good times continue at CU London. The doors opened to our first student intake in September 2017, and we're already expanding in readiness for over a thousand students in 2018/19. This is a unique chance to be a part of a historic opportunity to deliver exceptional quality, high value, 'life-shaped' professional and technical higher education from the Borough of Barking and Dagenham.

Join CU London and you will be joining a well-respected Institution. We're proud of our teaching achievements, which include being awarded Gold in the Teaching Excellence and Student Outcomes Framework as well as being ranked 12th UK University in the Guardian University Guide 2018 and the UK's top new university in The Guardian and the Complete University Guides 2018.

Student Education Services

Director of Student Opportunity University Grade 10 (competitive salary)

Full time, Permanent

Do you want to take a lead in creating opportunities for our students' personal and professional development? Are you able to provide effective leadership and to find imaginative ways to maintain and develop the University's reputation for excellence in student education?

As Director of Student Opportunity, you will be responsible for the development and delivery of a leading institution-wide strategic programme integrating co-curricular opportunities with academic delivery in support of students' personal and professional development. With a respected external profile, you will help to create an environment in which students are inspired, prepared effectively for their future, and enabled to relate the skills gained through their University experience to their future direction.

You will have the ability to create and lead sustainable networks across a large organisation, whilst finding innovative and effective solutions to problems in a fast-moving environment. With a track record of achievement in senior roles you will have experience of shaping and implementing strategy, developing customer-oriented services, and leading change.

“Times Higher Education has helped to foster another important dimension of diversity at Harvard: international diversity. The exposure of Harvard's faculty positions on THEunijobs, since we embarked on our subscription package in October 2015, enhances our outreach efforts to a global community and showcases our institution as a destination of choice for academics around the world. Working with the *THE* team has also been a pleasure, and has enriched the conversation around international recruitment and retention.”

— Elizabeth Ancarana, assistant provost for faculty development and diversity, Harvard University
