HEAD OF THE DEPARTMENT OF DIGITALIZATION

The position as head of the Department of Digitalization (DIGI) at Copenhagen Business School (CBS) offers great opportunities to produce digitalization and data analytics research, teaching and communication of high international standard and acquire distinctive skills in leading researchers and specialists.

THE IDEAL CANDIDATE

- is an internationally acknowledged and respected scholar in information systems or a related field
- can present management results from a research and educational institution
- has credibility and impact in relation to department staff, students and other heads, and generates involvement and collaboration when formulating and executing department and CBS strategies
- has a keen eye for identifying, developing and motivating talents
- understands and sees the possibilities of creating academic and development synergies between departments at CBS

- can contribute to the overall management discussion and development in CBS' management forums as well as the collegial leadership development among the CBS heads of department
- contributes to the department's and CBS' international exposure
- maintains and develops a relevant professional and personal network.

CBS AND DIGI

High-quality research is the foundation of CBS' core activities. We seek to identify and develop the greatest research talents and to offer a supreme level of education and knowledge transfer. Interacting with society, we place emphasis on global challenges, academic depth and integrative thinking within research and education.

Being one of the largest of its kind in Europe, DIGI's research concentrates around themes which are inter-disciplinary and dynamic in nature. Currently, main focus areas are IT challenges in Mergers and Acquisitions, Internet of Things, Cashless Society, Big Social Data Analysis, Cloud Business, Sharing Economy, Blockchain Technology and Sports Digitalization.

The Regius Professorship of Botany

Department of Plant Sciences
Reference: PD17932

The Board of Electors to the Regius Professorship of Botany invite applications for this Professorship from persons whose work falls within the general field of the Professorship to take up appointment on 1 October 2019 or as soon as possible thereafter.

Candidates will have an outstanding research record of international stature in plant biology and the vision, leadership, experience and enthusiasm to build on current strengths in maintaining and developing a leading research presence. They will hold a PhD or equivalent postgraduate qualification.

Standard professorial duties include teaching and research, examining, supervision and administration. The Professor will be based in Cambridge. A competitive salary will be offered.

To apply online for this vacancy and to view further information about the role, please visit:
<http://www.jobs.cam.ac.uk/job/20155/>.

Further information is available at:
<https://www.hr.admin.cam.ac.uk/professorships> or
**contact the Human Resources, University Offices,
The Old Schools, Cambridge, CB2 1TT,
(email: ibise@admin.cam.ac.uk).**

Applications, consisting of a letter of application, a statement of current and future research plans, a curriculum vitae and a publications list, along with details of three referees should be made online no later than 15 March 2019.

Informal enquiries may be directed to Professor Alison Smith, Head of Department of Plant Sciences and Convenor of Board of Electors, telephone: +44 (0)1223 333900, email: as25@cam.ac.uk.

Please quote reference PD17932 on your application and in any correspondence about this vacancy.

Russell R. Geiger Professorship of Crop Science

Department of Plant Sciences
Reference: PD17931

The Board of Electors to the Russell R. Geiger Professorship of Crop Science invite applications for this position in the Department of Plant Sciences from persons whose work falls within the general field of the Professorship to take up appointment from 1 January 2020 or as soon as possible thereafter.

The Professorship is a key component of the Cambridge Centre for Crop Science partnership involving the University and the National Institute for Agricultural Botany (NIAB). The Professor will be based in a new Crop Science Building on the NIAB Headquarters located 2 miles from the Department.

Candidates will have an outstanding record of achievement in Crop Science. They will have the vision, leadership, experience and enthusiasm to build on current strengths in the department and NIAB, they will consolidate our leading research profile in plant science relevant to crops and they will have a strong motivation to develop translational crop science programmes in research and teaching. They will hold a PhD or equivalent postgraduate qualification and a track record of achievement in the translation of research. Candidates from industry are especially welcome if they are motivated to work on translational crop science in a University environment.

Standard professorial duties include teaching and research, examining, supervision and administration. The post holder will be expected to undertake leadership roles within the Department and in the Cambridge Centre for Crop Science Partnership. A competitive salary will be offered.

To apply online for this vacancy and to view further information about the role, please visit:
<http://www.jobs.cam.ac.uk/job/20154/>

Further information is available at:
<https://www.hr.admin.cam.ac.uk/professorships> or
**contact the Human Resources, University Offices,
The Old Schools, Cambridge, CB2 1TT,
(email: ibise@admin.cam.ac.uk).**

Applications, consisting of a letter of application, a statement of current and future research plans, a curriculum vitae and a publications list, along with details of three referees should be made online no later than 20 March 2019.

Informal enquiries may be directed to Professor Alison Smith, Head of the Department of Plant Sciences, email: as25@cam.ac.uk. or to Sir David Baulcombe, Regius Professor of Botany, email: dcb40@cam.ac.uk and Convenor of the Board of Electors.

Please quote reference PD17931 on your application and in any correspondence about this vacancy.
